Dear Sen. Huggins,

Please excuse the writing, but the hands & eyes don't function quite as good as they did in the past.

It is my understanding that you are responsible for a 2500.⁰⁰ grant for airport upgrade at Skwentna.

I personally, as well for the Skwentna community want to "thank you" for this grant. It was just enough to tip the scale to get a few things. Skwentna will net out 2250.⁰⁰ and the borough 250.⁰⁰.

Under this grant we will add 20' x 30' roof over a 20' x 20' in front of terminal (open sided). All summer long, anyone who flies in or out of Skwentna at a time of rain etc. ends up having baggage and themselves soaked (Bldg is too small) This will give everyone a place to stay dry, especially Joe Delia when loading & unloading mail.

The project is actually about a 5000⁰⁰ project, but we will donate labor and some mats to get the job done.

In addition, but not part of grant, we will be building and putting next to apron a two stall outhouse for use by those that have the need when at the airport. The cost of this will end up being all donated labor and mat.

The issue that brought the out-house up, was when a lady about 80 yrs old + using a cane, who was on a flying tour of the area, landed @ Skwentna + needed to use a bathroom. Her husband ended up taking her back in the plane and helped thru the process.

We try to donate labor and Mat where we can to improve things, but when it gets to thousands of dollars out of pocket, it hurts a little. This grant did help and I again Thank You.

THANKS
